## FRIDA KAHLO | 17

*iconically braided into her hair, frida would often wear flowers as a symbol of indigeneous culture, as well as sorrow for lost fertility. this shaken margarita is made from hibiscus flower extract, nodo reposado, and agave. like frida, the flavors are sweet, smooth, and strong*

## LA QUERETANA | 17

*on a casual morning, it was customary for don pepe bailon to take his hija to the market near his house for a morning elixir, a juice made with carrot, cucumber, pineapple, and freshly squeezed orange juice. with some tequila blanco, you have the perfect morning or evening healthy cocktail to make you feel refreshed.*

## KEVIN | 16

*happiness is found in sorrow, a fact no one knows better than kevin. this sangria will pick you up from sorrow with red wine, mango, and ginger for a flavorful, deep, and revitalizing elixir.*

## NATE | 19

*the only life worth living is a passionate one, and one of nate's passions in life is chocolate. this elixir indulges chocolate with mezcal, guava, and orange for a smoky, sweet, fruity and formidable potion.*

## SOREN | 18

*classy with an edge would be one way to describe soeren. sauvignon blanc, root of lime tree, grapefruit, parsley, and butterfly pea flower come together only for those with a sharp mind and a tangy personality.*

## EL AMOR | 17

*love is wild, powerful, and full of flavor. this love potion uses paranubes oaxaca rum, hibiscus, elderberry, angel's trumpet/ nightshade, and peach to make your heart blaze with decadence, fervor, and sweetness.*

## XILA HORCHATA | 19

*mexican women may seem sweet and welcoming, yet they are resilient and formidable. the first female mexican distillery founded by flor de luna released xila, a mezcal, caramelized pineapple, chile ancho, cinnamon, black pepper, cloves, and lavender liqueur. together with our house horchata, the union is smooth, sweet, and spiced.*

## LA TIERRA | 17

*they say from dust we came, yet here we know from xila we came, for the earth is woman, the earth is our mother. this afro-mexican drink uses xila, reposado, tamarindo, and xocolatl bitters for sweetness and refreshment.*

# TWIST AND SHOUT

## LA DOÑA | 17

*la chancla sosa came for the old fashioned, twisting it with reposado, mezcal, lavender and mexican bitters. don't dare misbehave with this drink, but expect to have seconds (and probably thirds).*

## UNA ROSA | 17

*stirred not shaken, and infused with the most beautiful of all flowers. this twist on the martini is made with a flowery mexican gin, spanish vermouth, and rose bitters.*

## EZRA | 19

*the kid who was always telling jokes was a favorite of his tio jose, who used to call him el ruso because of his complexion. like ezra, this cocktail is not actually russian, but mexican, and this twist on the moscow mule is prepared with tequila, ginger, and a secret ingredient.*

## SPANISH HARLEM | 19

*hop off the 6 train on 148th street in manhattan and go east, where you'll find yourself in spanish harlem, the home of latin culture on the upper east side. this twist is made with bourbon, spanish vermouth and xocolatl bitters.*

## ORGULLO | 19

*pride and liberation come in the form of a blended margarita, made with nodo reposado, cointreau, avocado, and orange. this twist is smooth, creamy, sweet, and deceptively dangerous.*

## MOCTEZUMA | 17

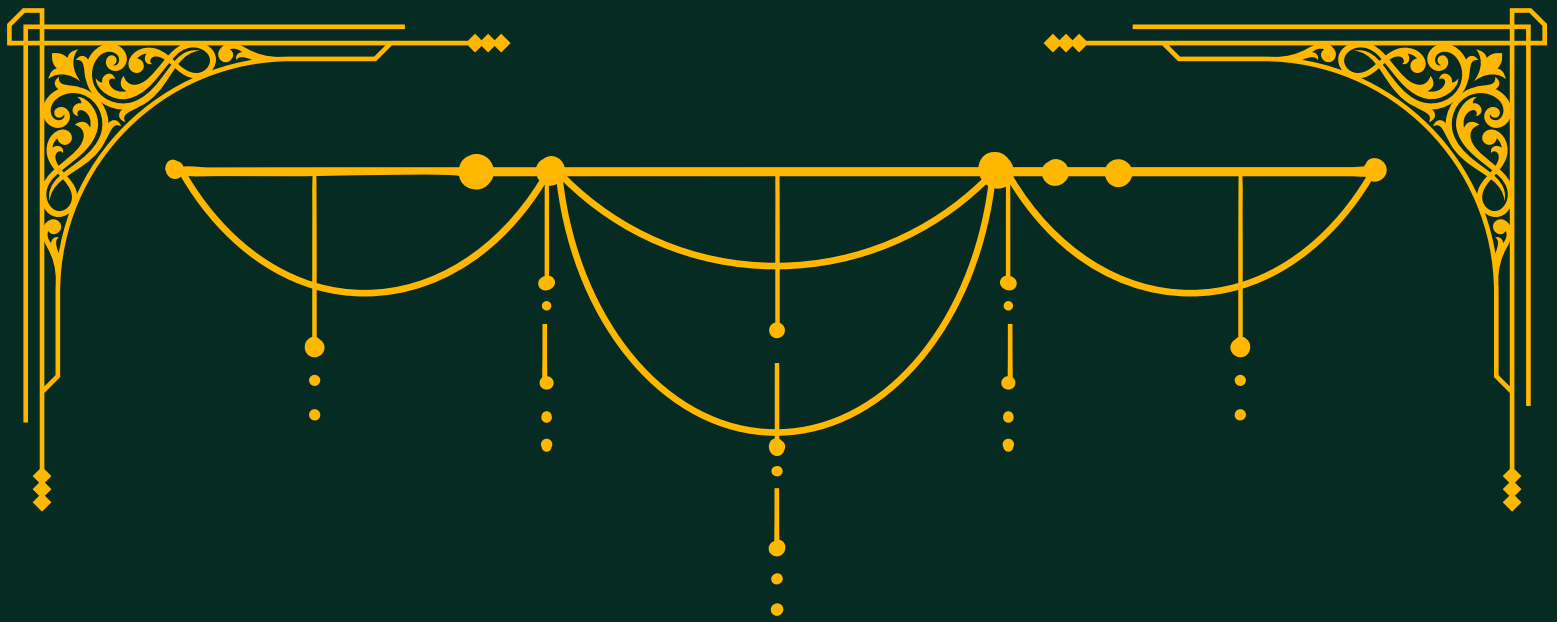

*the caesar of the aztec empire during the colonization of mexico. this caesar twist is made with reposado, clamato, and mexican spices. a personal favorite of kevin.*

## LA FELINA | 17

*the caribbean and the mediterranean twist and cat together with aperol, cuban-mexican rum, prosecco and hibiscus to make the femme fatale of the artisanal drinks.*

## EL CRIOLLO | 15

*the child of spain and mexico, a fusion of two great empires. this twist is a fusion of liquor and coffee, the former kahlúa and mezcal. this carajillo is joined with chocolate and cinammon, for the perfect hot cocktail.*
